

CHANGES COMING TO FAIRFAX CONNECTOR RESTON-HERNDON SERVICE

BEGINNING SUNDAY, MARCH 5, 2006

In Reston Town Center, the passenger waiting area now located at stops on Explorer Street and Bluemont Way will move to the new Reston Town Center Transit Station (RTCTS) located on Bluemont Way. If the RTCTS is not finished by March 5th, the Explorer Street and Bluemont Way stops will continue to be used as the waiting area until the RTCTS is finished.

- **Routes 504, 556, 574, 950 and RIBS 1/2/3/4:** Routing of buses within Reston Town Center will change slightly so that they can enter and exit the RTCTS efficiently. Routes **505 and 605** will not change.
- **RIBS 1 and 3:** Buses will not pull into Lake Anne Village Center, Tall Oaks Village Center or the Hunters Woods Fellowship House during weekday morning and afternoon rush hours. Buses will continue to pull into these locations during non-rush hours on weekdays and Saturdays and Sundays.
- **RIBS 2:** The stop for the Target store will be moved from the store's entrance in the parking lot to the stop on Sunset Hills Road adjacent to the store. Buses will no longer pull into the parking lot. The weekday 5:05AM, 6:05AM, 6:35AM and 9:05PM trips will no longer pull into Kaiser Permanente.
- **RIBS 4:** Service on Lake Newport Road and North Village Road will be discontinued. Instead, buses will turn right from Reston Parkway onto Center Harbor Road and pick up the regular routing from there. Also, service on Grace Street from Harbor House to Elden Street will be discontinued. Instead, buses will use Forthnightly Boulevard and Center Street for returning to Elden Street where the regular routing will be picked up.

BEGINNING MONDAY, MARCH 6, 2006

- **Route 553:** Five of the nine PM trip departure times from the West Falls Church Metro Station will change.
- **Routes 951 and 952:** Trip frequencies will change from every 12 to every 30 minutes, and the PM routing for both of these routes will change.
- **Route 980:** More trips will be operated, particularly during the peak of the afternoon rush period.
- **Route 989:** Routing of buses in Crystal City and trip times will change.

FOR INFORMATION

Specific information on the March 5th and 6th routing and timetable changes can be obtained beginning about February 13, 2006, by consulting the new printed schedules, going to **www.fairfaxconnector.com** or calling **703-339-7200**. Please note that trip times for Routes 504, 505, 556, 574, 605, 950 and RIBS 1/2/3/4 will remain the same as currently scheduled.
